NEGROS SUGAR CROP TURNS OUT POORLY

Reports from all parts of the province, correspondence of the Manila PUSHING REHEARSALS 5 Oahn, 23.121-2; 20 H. B. & M. Co., Bulletin says, that the value of the million pesos below the normal. Miling has been in progress in some little No. 1 sugar will be produced and loss will be much greater than estimated. While the value of the present crop is estimated at a maximum of 8,000,000 pesos, the debt for working capital at the average of 12 per cent interest is approximately 6,750,-000 pesos, and as a portion of the gross returns belongs to planters who used their own capital the borrowing planter's condition may be imagined. A surcharge of forty per cent was added to the longest list of delinquent taxpayers that the province has had for the past ten years. A fair proportion of these are sugar growers and the delinquency indicates how hard the Mexican fruit fly, of oranges up they have been for the past twelve | sweet limes, mangoes, achras sanotes.

The rice crop has been damage. even more than the sugar crop and as a rule the racenderos who expected stocks in San Francisco yesterday to have their own rice to feed their abor are in yet wor.e efreumstances.

rice crop received its greates: damage from the locust. Notwithstanding the lamentable

conditions which the planter: must they are disheartened. They realize that these calamities could not have been avoided and are going ahead and lists. He met George Fairchild an l making plans to turn out a better found him well satisfied with his prosgrade of sugar in the fu ure. It is pects. Mr. Ross was favorably imvery probable that the next season pressed with the opportunities for inwill see a fair portion of the grop neilled in small centrifugals. Two of these mills have been in operation for two years, and the fact that last season when the general price of sugar was so low the product of these mills brought a fancy price and remained court would that day render its decin.illing equipment. In fact there is stock exchange yesterday. Declines these con be had without the object however, and there were some recovtional thirty year contracts.
